

THE JEFFERSON
WASHINGTON DC

To Our Valued Guests,

When we first opened our doors in 2009, we had only one goal – to become your preferred home away from home when visiting Washington, DC. Whether you are dropping your children off at college or traveling on important business, nothing has brought us more joy than providing each and every one of you with a one-of-a-kind, exceptional hotel experience.

As the current global health pandemic continues to take hold, the restrictions and recommendations from both the CDC and our local government have intensified, making it impossible for us to deliver the high quality experiences that you have come to expect while keeping you and our staff safe and healthy. The intensity and reach of the current pandemic have left us and the hospitality industry at large in uncharted territory. We are nothing without the ability to welcome you, our loyal guests, back to our hotel and so, for the time being, we have with great reluctance and a heavy heart decided to close our doors until such time as it is safe for all to re-open for business.

We fully anticipate reopening in the months to come and at this time we expect to do so on May 4th, 2020. Nothing will give us greater pleasure than getting back to providing you with an exceptional experience on a daily basis.

If you are staying with us during the time period of Wednesday, March 18th through Monday, May 4th, we regret that we are unable to honor your reservation and your reservation has been cancelled. If you have any questions regarding a reservation that you have made with us, please know that you can reach us by phone at 202.448.2300 or email at information@jeffersondc.com. If you are working with one of our sales or catering managers on an upcoming event, you may continue to contact them directly as they will be responding to email as usual.

We thank you for your understanding and continued support. Your health and safety are paramount to us and we wish you, your colleagues and families all the best during this time.

We miss you already and look forward to welcoming you back soon.

Sincerely,

David Bueno
General Manager
